Yolculuğumuza 1972 yılında Teknik Malzeme'nin kurulması ile başladık. Bugün 4 Kita 14 ülkede, 10000 çalışan ile faaliyet gösteren bir büyülüüğe ulaştık. Müşteri öncelikli üstün kalite anlayışımızla otomotiv, turizm, ziraat, ticaret ve hizmet alanlarında, başarılı firmalar arasında yerimizi aldık.

Endüstriyel aktivitelerimizde aldığımız ISO 14001 sertifikalar çevreye olan saygımyı ve duyarlılığımı belgeledik. Topluma, insana ve özellikle gelecek nesillere verdigimiz önemi kültür, sanat ve eğitim alanındaki faaliyetlerimizle gösterdik. Orhan Eğitim ve Kültür Vakfı ile iki öğrenci yurdu, bir ilköğretim okulu ve bir Meslek Yüksek Okulu yaptırdı, halkın hizmetine sunduk. Her sene 500'ün üzerinde öğrenciyi burs vererek eğitimlerine katkıda bulunduk.

1998 yılından itibaren gelenekselleşen ve bu yıl 17. kez uluslararası olarak düzenlediğimiz fotoğraf yarışmamız kültür ve sanat alanındaki faaliyetlerimizdedir.

Büyümeye devam eden 10000 kişilik ailemizle başarılı yolculuğumuzda ilerlerken eğitim, sanat ve kültüre yaptığımiz katkılar da artarak devam edecektir.

Our journey began in 1972 with the foundation of Teknik Malzeme. Today we have grown to 10000 employees in 14 countries in 4 continents. With our customer-centred, superior quality mentality, we have established ourselves among the most successful companies in the automotive, tourism, agriculture, trade and service industries.

Our respect for and sensitivity to the environment have been documented by the ISO 14001 certifications in our facilities. With our contributions and activities in culture, art and education, we have shown that we care for society, humanity and especially for our future generations. Our establishment, Orhan Education and Culture Fund built two student dormitories, an elementary school and a vocational school building for Uludağ University and has donated both to the Ministry of Education. We grant over 500 scholarships each year as part of our determination to create a better society.

One of our activities in culture and art include 17th Orhan Holding International Photography Contest, which we have been organizing since 1998.

As our growing family together with our 10000 people, we are moving forward in our journey of success, with our contributions to education, art and culture will also continue to grow.

Once again, HELLO to you, dear photographers and friends of the photography!

Dear friends; unfortunately the epidemic, that has been present for already two years and has caused so much pain is still not over and is making our living conditions difficult.

Nevertheless, to protect itself in these difficult conditions, humanity (society) continues to live in a community by adapting to new living conditions.

Following these new social conditions and environment, we made the assessments of our 17th Orhan Holding International Photography Contest.

This year, 722 photographers from 44 countries participated in our photo contest themed "RITUALS", with 5662 of their artworks. Among all the received artworks, the photographs that were relevant to the project theme, are entitled to receive awards, and to be exhibited, were meticulously selected by the esteemed jury members.

Congratulations to you all,
Dear photographers,

You have always honored us and this contest by participating with your beautiful photographs. Endless thanks to all of you.

I would also like to thank our jury members Haluk Uygur, Gülnur Sözmen, and Ayşegül Orhan in Black and White category, Hüseyin Sarı, Bekir Tuğcu, Necla Orhan in Color category, and Murat Germen, Gürsel Egemen Ergin, Aysen Küçük in Experimental category,

and to TFSF (The Photographic Arts Federation of Turkey) representative Mr. Cengizhan Günesen.

Sincere regards,

Necla Orhan
